

T E N E X[®] |  **planet-saver[®]** Chairmats
roll-n-go[®]

So unique it is patent pending.

- » Now...a whole new approach to chairmats. It's rollable! Every thickness is rolled and incredibly compact.
- » **planet-saver[®]** roll-n-go[®] chairmats are as durable as they are functional due to patent pending **I**-beam construction.
- » They are easier to merchandise, inventory, transport and handle.
- » Offered in standard sizes and shapes in two thicknesses for carpet...all pile and low pile, and one thickness for all hard floors.
- » Contains minimum 33% recycled material: 3rd party-certified
- » Recycled material is generated by 3rd party manufacturers
- » The material used was destined for landfills
- » Ergonomic...facilitates movement
- » Gripper back for stay-put performance on carpets
- » Smooth back for budge-proof performance on hard floors

Certification ISO 14021,
EPA & FTC Compliant
